

NON-PARTISANSHIP POLICY STATEMENT

LEAGUE OF WOMEN VOTERS OF TANANA VALLEY

The League of Women Voters is a non-partisan, politically active organization. While we do not support or oppose any political party or candidate, we welcome members of all political parties and independents to our membership. We also take action on government measures and policies in the public interest. Because League membership is made up of highly motivated and active people, it is sometimes difficult for League members and for the public to separate an individual member's commitment to League's non-partisan policy and the individual's personal commitment to a party or issue. To avoid potential conflicts, this policy statement was adopted by the Board of the League "of Women Voters of the Tanana Valley.

POLITICAL ACTIVITIES

It is an advantage for the League to have politically active members. All League members must take responsibility for clearly differentiating between their personal opinions and League positions. They shall not distribute League material at the same time as material for a party or candidate.

Non-Board members are encouraged to participate fully in the party of their choice at all levels of activity.

Board members shall not undertake any action which will cause the League to be identified publicly as supporting any candidate for office or any political party. They may not hold the offices of chair, vice-chair, treasurer or secretary of party district or state committees, or hold the office of national committeeperson. Individuals on the Board (except President, Vice-President,

Treasurer, and Voter Service Chair) may consider accepting other party offices with the concurrence of the Board.*

CAMPAIGNS AND ELECTIONS

League members are encouraged to participate in political campaigns and to run for election to office. Board members may not run for elective office including such local offices as mayor, borough assembly, city council or school board. Board members may not serve as campaign chair or treasurer for any of the foregoing positions. The President, Vice-President, Treasurer and Voter Service Chair may not endorse, publicize, nor work for any local, state or national partisan candidate.

Board members may run for non-partisan elective offices such as charter commissions and delegate to a constitutional convention. Board members, except President, Vice-President, Treasurer, and Voter Service Chair may campaign for a ballot issues on which the League has no position. Board members may not be associated publicly with ballot issues in opposition to League positions.

PUBLIC BOARDS AND COMMISSIONS

If the League is asked to recommend someone to represent League on a commission, that person must speak for League and be responsible to the Board. If not asked for a recommendation, League may wish to recommend individuals for certain commissions. The Board should determine in each case whether the person will speak as an individual or for the League. Even if a commission member represents the League, the Board is not bound to support the recommendations of the commission.

In all cases where individuals represent League, whether on a commission or giving testimony, the Board should be sure that the individual understands League's position on the issue.

COALITIONS

League may join coalitions while taking action on any issue, at the discretion of the Board. If the coalition endorses candidates or becomes involved in other issues as well, the Board may issue a statement disassociating itself from those aspects of the coalition, _
