

Health Care Reform for the US (HCR4US)

Alaska State League Working Group

Health Care Reform for the US (HCR4US) is a national network of League of Women Voters (LWV) from across the country who are linked by their common interests in supporting educational and advocacy efforts for health care reform.

The HCR4US network came together in 2005 and has continued increasing activity throughout the US. In November, 2020, the HCR4US had some 410 interested members from 42 states on the mailing list. These states include:

Alaska	Georgia	Maine	Nevada	South Carolina
Alabama	Idaho	Maryland	New Jersey	Tennessee
Arizona	Iowa	Massachusetts	New Mexico	Texas
California	Illinois	Michigan	New York	Utah
Colorado	Indiana	Minnesota	North Carolina	Vermont
Delaware	Kansas	Missouri	Ohio	Virginia
District of Columbia	Kentucky	Montana	Oregon	Washington
Florida	Louisiana	Nebraska	Pennsylvania	West Virginia
				Wisconsin
				Wyoming

Approximately 120 members participate in meetings and other network activities. These include regular monthly audio and Zoom meetings, caucuses at national LWVUS Conventions, resolutions for health care reform, State LWV activities and studies, development of health care reform tool kits and mailing lists for educational materials, special meetings with guest experts in health care reform and promotion of the LWVUS Position on Health Care.

The HCR4US is interested in further collaboration with other states, identification of health needs, alignments with allies and advocacy for health care reforms.

The Health Care Tool Kit for education and advocacy resources has been developed by the LWV-Arizona and can be found at <https://my.lwv.org/arizona/issues/healthcare> or the LWVUS Management site at <https://lwv.org/league-management/mission-impact-tools/other-issues-tools>.

We welcome all League members' participation in this important work.
